1. Acceptance of Terms

- By accessing or using Isometric Island, you agree to be bound by these Terms of Service. If you do not agree to all of these terms, do not use the game.

2. Description of Service

- Isometric Island is a browser-based building game. We provide the platform "as is" for creative purposes. While we strive for 100% uptime, we do not guarantee that the service will be uninterrupted or error-free.

3. User Accounts & Cloud Features

- Eligibility: You must be at least 13 years old to create an account.
- Security: You are responsible for maintaining the security of your account. Any activity performed under your account is your responsibility.
- Account Deletion: You may delete your account at any time via the in-game settings.

4. User-Generated Content (Published Islands)

When you publish an island using our cloud services (Firebase):

- Ownership: You retain ownership of your creative layout, but you grant Isometric Island a worldwide, non-exclusive, royalty-free license to host, display, and share that content with other users.

Prohibited Content: You agree not to create or share islands that contain:

- Hate speech, offensive symbols, or discriminatory imagery.
- Illegal or harmful content (any act is recognized as 'illegal').
- Malicious code or "logic bombs" designed to crash other users' browsers.
- Moderation: We reserve the right to remove any published island without notice if it violates these terms.

- Impersonate the developer or other users.

7. Limitation of Liability

- To the maximum extent permitted by law, Isometric Island and its developer shall not be liable for any loss of data (e.g., lost saved islands due to browser cache clearing) or any indirect, incidental, or consequential damages arising from the use of the game.
